

Wohnungsvermittlung und Relocationservice - Property search and Relocationmanagent

Everything from one source for your expads. Ease up your life.

We support (international) customers who would like to settle down around Zurich by providing everything from one source: **property search** and **relocation services**.

Depending on the needs of our customers, we either support with single services or offer you our full relocation service: from the administration of immigration to Switzerland, the organization of your moving, the search of your new property and the arrangement of your new home and family life.

Please note as well our homepage: **www.relocationzurich.com** and get in contact with us by mail wielgoss@relocationzurich.com or phone +41 76 335 3259.

We are looking forward to support you and your family. And wish you a warm welcome to Zurich, Switzerland!

Property search means not only to be a broker!

We help you to find the right property for your needs and wishes. Either if you want to rent or buy a house or an apartment:

- ✓ Do you prefer a bright modern flat or a charming apartment in a historical building?
- ✓ Would you like to live in a family-friendly surrounding?
- ✓ Are you searching a flat downtown with lots of cultural attractions and nice restaurants?
- ✓ Or do you prefer a house at the countryside, quiet and close to nature?
- ✓ Do you need a ground floor flat, suitable for disabled persons or strollers?
- ✓ Would you like to live close to international schools or institutions?
- ✓ Do you want to find a new home for you and your beloved pets?

We can accommodate you by looking for apartments. If required, we can even look by ourselves for your new apartment and send you videos and pictures, in case you cannot visit the apartment yourself.

In addition we can do the key hand over for and/or accommodate you to explain and translate the handing over protocol.

You already have found some good sounding offers? But you need somebody to check out the locality: distance to your place of work/ school/ daycare by using various ways of (public-) transport; neighborhood and immediate vicinity, clarification of planned construction works, etc.)

Our relocation service makes you to feel at home :

We help you with all kind of administration due to your moving:

- ✓ Application to rent an apartment
- ✓ Translation of lease
- ✓ Support to open up a bank account
- ✓ Inscription at local authority, school and suppliers (telecommunication, energy, water, etc.)
- ✓ Presentation of various domestic services (housekeeper, nanny etc.)

Presentation of experienced moving companies for international removals

Stress-free relocation (pick up service at airport or train station, welcome bucket with the nursery for the first few days at your new home , etc..)

Consultation on life & work organization in Switzerland; information about general principles of social welfare and tax system, as well as the Swiss school system

Administrative and organizational support for customers leaving their properties and /or Switzerland

- ✓ Termination of lease, searching for a tenant, creation of ads at various online portals, viewing the flats to people interested in...
- ✓ Presentation of diligent and trustable cleaning services for the handing over procedure
- ✓ Organization and supporting our customers by the handing procedure.
- ✓ etc.
